Freedom 145 — The Balanced Home: where smart design creates the balance of comfort, space, and functionality. The De Young Freedom 145 offers approximately 1,450 sq. ft. with 3 bedrooms, 2.5 bathrooms, and a 2-car garage, providing added convenience while maintaining an efficient footprint designed for real life and lower maintenance living. The open-concept main level brings together the kitchen, dining, and great room in a layout designed for connection and everyday living — creating a welcoming environment for everything from busy weekday routines to casual nights spent together at home. A central island anchors the kitchen, while the welcoming entry and convenient powder bath help support daily routines with ease. Upstairs, the primary bedroom offers a comfortable retreat with a walk-in closet and bathroom suite, complemented by two additional bedrooms and a centrally located laundry room. Designed with lower maintenance living and everyday functionality in mind, the Freedom 145 offers the space you need while supporting a clear path toward long-term stability and homeownership confidence — making it ideal for first-time buyers, growing households, or those looking to downsize without sacrificing the comfort of a brand-new home.
