✨ **Discover 160 — where family flow meets flexible living.** The De Young Discover 160 is designed for the rhythm of real life — from school mornings to movie nights and everything in between. With approximately 1,600 sq. ft. of well-balanced, single-story living, this home offers 3 bedrooms, 2 bathrooms, and a 2-car garage, giving every member of the family room to live, grow, and connect. At its heart is a chef-inspired kitchen featuring an extra-large island and walk-in pantry — perfect for weekday dinners, weekend brunches, or helping with homework while something simmers on the stove. The open flow between the kitchen, dining, and great rooms creates a bright, flexible space that adapts to your family's needs — casual mornings, lively get-togethers, or quiet evenings in. Your spacious primary suite provides a peaceful retreat with a large walk-in closet and a relaxing dual-vanity bath. And with countless options at the De Young Design Studio, you can personalize your Discover 160 to fit your family's unique lifestyle and style preferences. Built with De Young SmartHome technology and Advanced Framed Wall construction, the Discover 160 delivers energy efficiency, innovation, and long-lasting quality.
